For The President's Award - Young Professional Category

We, the undersigned members of the Ontario Society of Professional Engineers, hereby nominate (note that nominators cannot nominate themselves):

Full Name: _____

Committee/Task Force/Volunteer group name: _____

NOMINATORS

Three (3) signatures of current OSPE or Honorary Members are required for each nomination.

1. Name: _____ OSPE ID#: _____

Signature : _____

2. Name: _____ OSPE ID#: _____

Signature : _____

3. Name: _____ OSPE ID#: _____

Signature : _____

ELIGIBILITY/SELECTION CRITERIA

1. The nominee must be a volunteer, a member in good standing of OSPE, has contributed well beyond the normal level of effort and has served as an advocate for the engineering community through various roles during academic studies and immediately following graduation, and volunteered their time for the betterment of engineering students and young professionals across the province.
2. The award may be given annually to an engineering student or engineering graduate up to 5 years from graduation.
3. The nominee must have demonstrated well above normal efforts as a volunteer for a period of at least 2 years.
4. The scope of the nominee's achievement and the work undertaken for at least 2 years in the following areas:
 - a) The impact and benefit the nominee has made in the course of their volunteering in the engineering community and on campus;
 - b) Initiative and innovation related to their volunteering activities;
 - c) The integrity, high character and professionalism demonstrated by the nominee;
 - i) Any significant obstacles which the nominee may have had to overcome to achieve the outcomes of their work;
 - d) Raised awareness of OSPE among student body, faculty and the public; that demonstrate above normal contribution must be clearly identified on the nomination form.
5. The President's awards for young professionals will be based on nomination by 3 OSPE members, and final selection will be made by a majority vote of the OSPE Board of Directors.
6. A nominee is exempt from supporting any other nomination
7. Nominations can be initiated by multiple sources. However, it will be mandatory that each of the following OSPE committees (Energy, Environment, Infrastructure, R&I, and D&I) put forward one name for each category, and if they choose not to, a reason must be provided by the nomination deadline. It should be noted that committees can nominate persons who are not members of their respective committees.
8. There must be more than one nominee per category for an award to be given.

SUBMITTING YOUR NOMINATION:

Nomination forms must be submitted by **e-mail only** to ambassador@ospe.on.ca.

All forms **must be received by December 31st**. Nominations submitted after the deadline will not be considered.

EVALUATION:

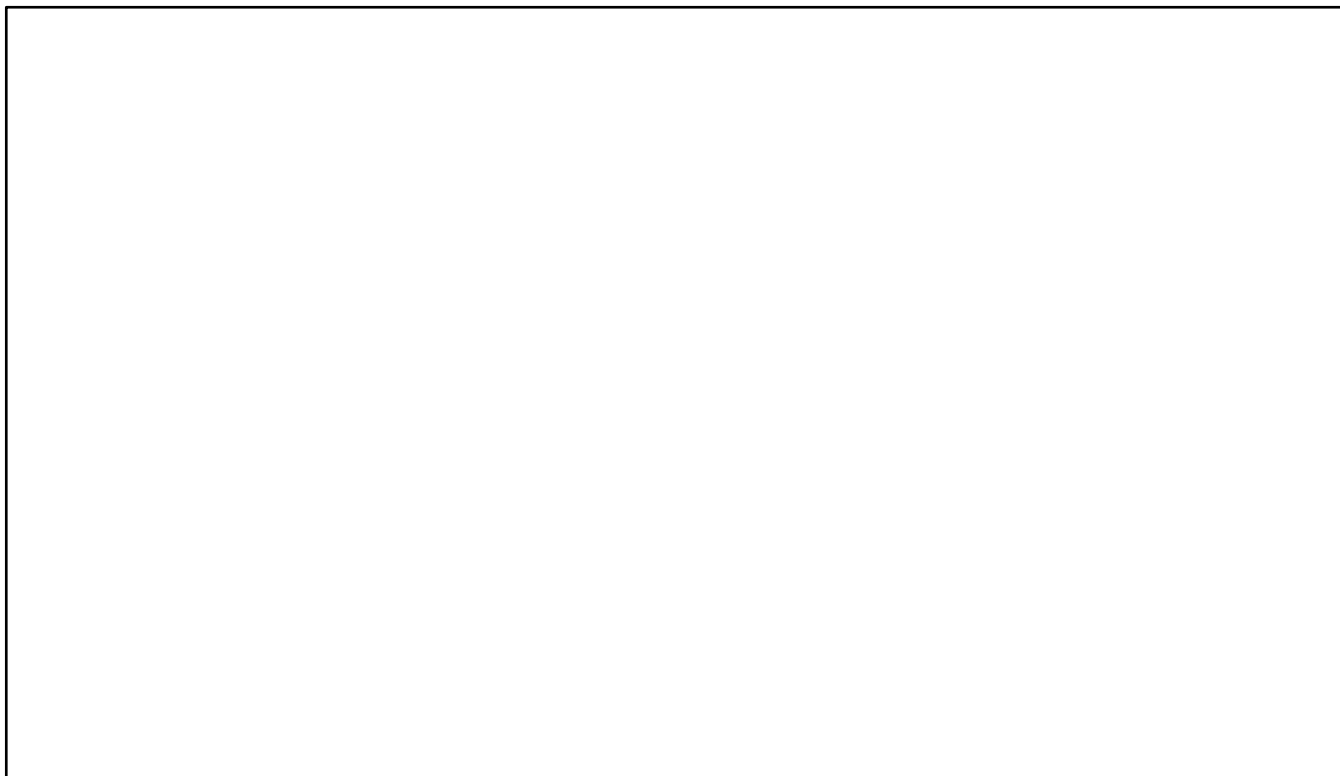

Nominations will be reviewed by the Membership Advisory Committee (MAC) using the attached evaluation form. MAC's recommendation will go to the Board of Directors for final review and approval.

Please describe the scope of the nominee's achievement and the work undertaken for at least 2 years in the following areas (please limit all responses to a maximum of 300 words):

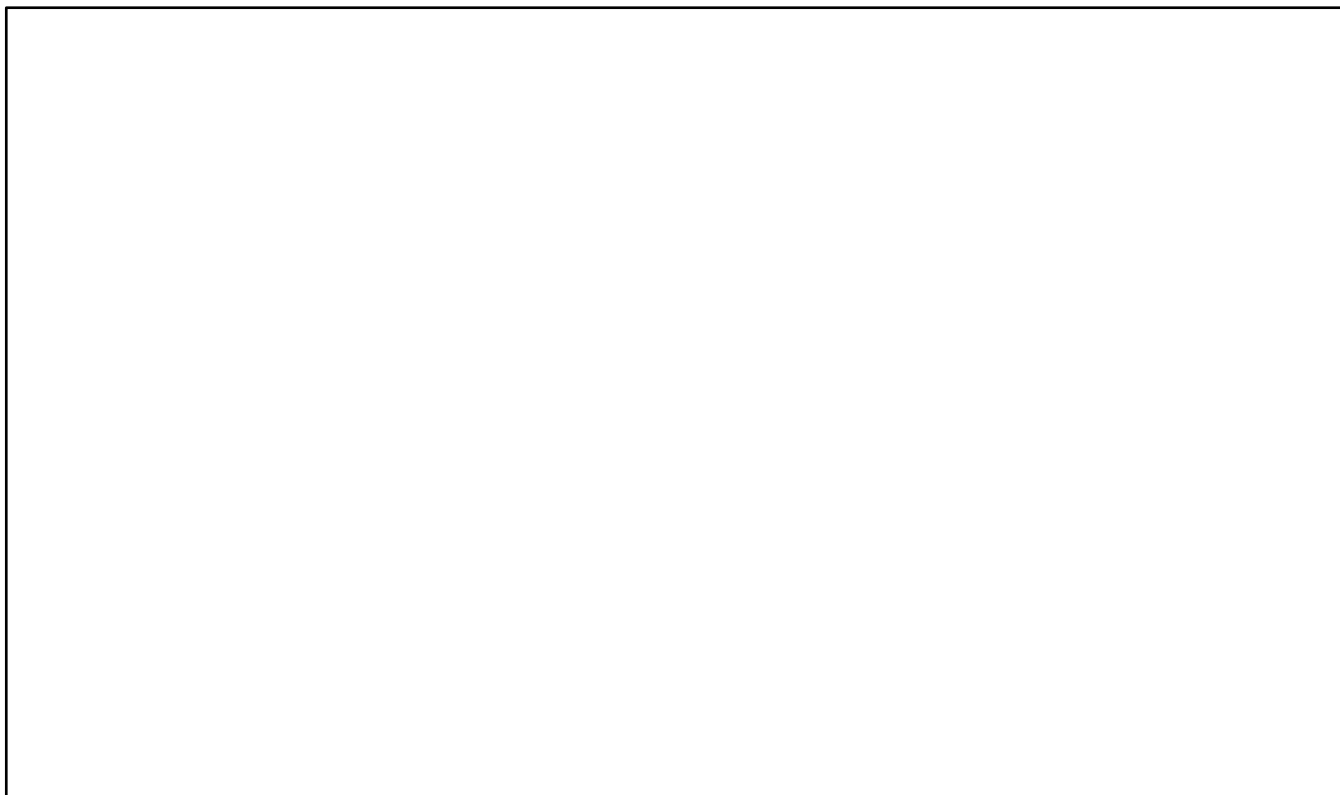

- a) The significant impact the nominee has made in the course of volunteering in the engineering community and on campus:

- b) Outstanding initiative and innovation related to the nominee's volunteering activities:

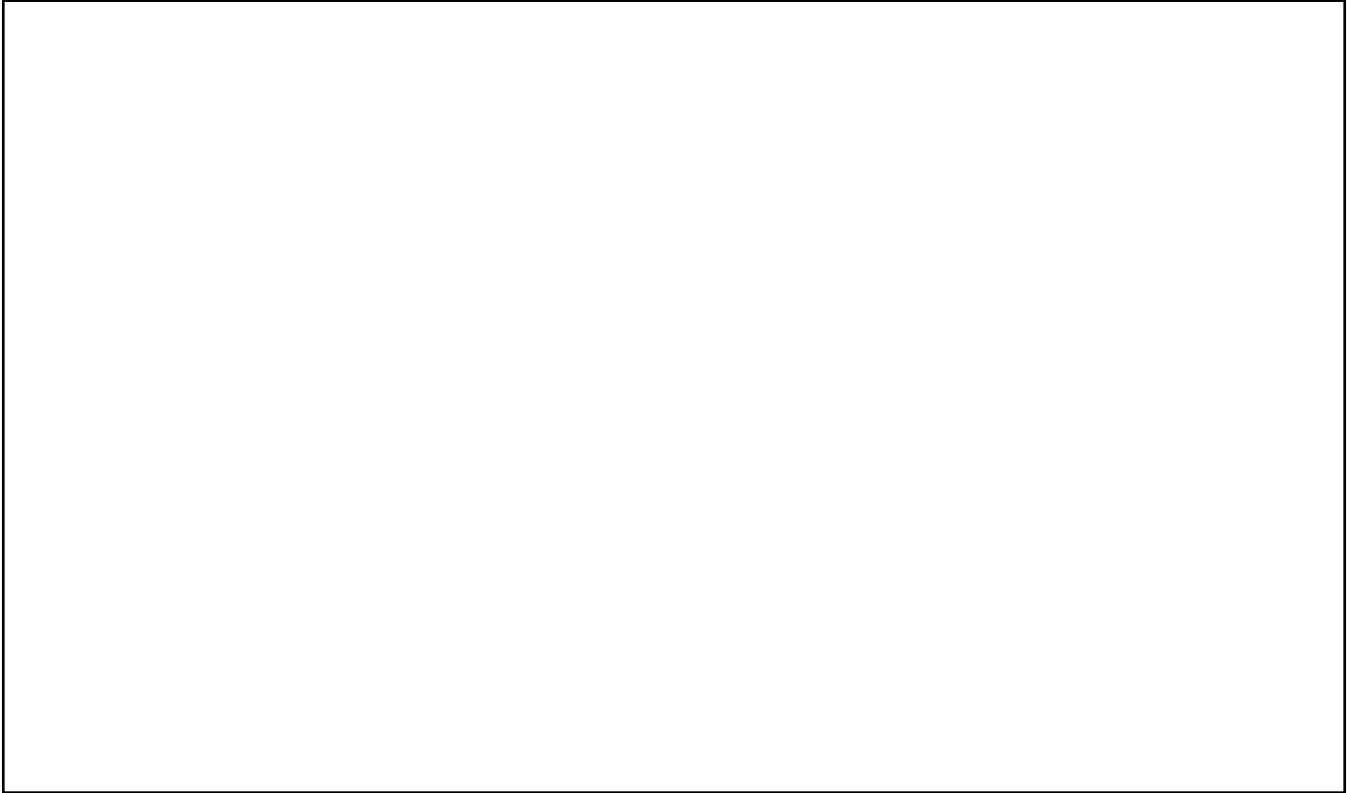

c) The tremendous integrity, high character and professionalism demonstrated by the nominee in their volunteering activities:

A large, empty rectangular box with a thin black border, intended for the respondent to provide details about the nominee's integrity and professionalism during volunteering activities.

d) The exceptional efforts the nominee has made to raise awareness of OSPE among the student body, faculty and the public:

A large, empty rectangular box with a thin black border, intended for the respondent to provide details about the nominee's efforts to raise awareness of OSPE among students, faculty, and the public.

e) Any significant obstacles the nominee may have had to overcome to achieve the outcomes of their work:

A large, empty rectangular box with a thin black border, intended for the nominee to provide details on significant obstacles they have overcome.
