

Rogers Communications Inc.

Please review **IMPORTANT NOTES** and **VIDEO INTRODUCTION QUESTIONS** below where you will also find a registration link.

About us:

As a proud Canadian company, we wake up every day with one purpose in mind - to connect Canadians to a world of possibilities and the memorable moments that matter most in their lives. And inclusion and diversity are at the core of who we are. We're committed to embedding inclusion into everything we do. From celebrating our people to improving our customer experience and supporting our communities, we are on a journey to build a more inclusive future for all Canadians. For 60 years, millions of Canadians have experienced new ways of connecting with their family, friends, co-workers and communities through Rogers. From the introduction of FM radio, cable television, and Canada's most trusted network, to uniting people through sports and media, we pride ourselves in bringing customers the best. Because we believe connections unite us, possibilities fuel us, and moments define us.

Rogers Technology services combines Digital, Network and Information Technology as one unified force providing both services and support to our customers and our internal teams. At Rogers we take great pride in our work. Keeping our customers connected and keeping our people safe have been our top priorities this past year. As we look forward towards a brighter new year, we are seeking talented individuals who foster collaboration, bring innovation, and most importantly share our collective passion towards customer service.

Want to be part of building a future that hasn't even been imagined yet?
Talk to us today!

Together, we'll make more possible.

Explore Opportunities:

Our company recruits Engineering Specialists, P.Eng.s., EITS and new graduates.

When exploring opportunities with us for this event you have two options:

- we invite you to tell us about yourself as you record an introduction video with respect to the specialities listed below
- OR
- we invite you to explore our job postings online and reference the job title you are interested in as you record your introduction video.

Why join us?

- We are one of Canada's leading telecom companies with a diverse brand portfolio.
- We have a strong commitment to diversity and inclusion. We value the insights and innovation that diverse teams bring to work.
- Our people are the heart of our success. We're here to support your growth and development and your wellbeing.
- We have onsite medical services, fitness facilities and cafes.
- We work in an agile environment and provide state of the art tools and technologies.
- We offer competitive total-rewards packages plus great perks including 50% off Rogers services and Blue Jays tickets.
- We give back to our communities (volunteer days, give-together month).

IMPORTANT NOTES:

Once you have registered you will receive an email from OSPE with links to the employer portals to record your introduction video(s).

Once you arrive at an employer portal you will enter your name, you will click on upload document and upload your resume. You will then be permitted to access the video recording area to start recording your introduction video for that employer.

You will be presented with 3 questions and you will have 1 minute to answer the question by video.

We recommend you read the [FAQ](#) document BEFORE going to the employer video online portal.

VIDEO INTRODUCTION QUESTIONS:

1. Please tell us about yourself and which engineering speciality or job title you fit best in using a specific example?

Up to 1-minute answer by video

2. What makes you the best choice for this position or area?

Up to 1-minute answer by video

3. Tell me about a specific time when those with whom you were working could not agree upon the course of action. How did you approach the situation?

Up to 1-minute answer by video

REGISTRATION:
