

MDA

Please review **IMPORTANT NOTES** and **VIDEO INTRODUCTION QUESTIONS** below where you will also find a registration link.

**About us:**

For those who dream of advancing our space in the Universe and on Earth, we'll take you there.

Serving the world from our Canadian home and our global offices, MDA is an international space mission partner and robotics & space operations, satellite systems and Geointelligence pioneer with a 50-year story of firsts on and above the Earth. Today, we're leading the charge towards viable Moon colonies, enhanced Earth observation, communication in a hyper-connected world, and more.

We're fueled by a pioneering spirit that carries us beyond. And together we enable highly skilled people to continually push boundaries and tackle big challenges requiring solutions that endure and inspire. Are you ready to launch the next stage of your career in the new space economy? We would love to hear from you!

With 40 years of operational experience and proven performance on the iconic Canadarm programs including Space Shuttle and International Space Station robotics and operations support, our Robotics & Space Operations team has 100% mission success in making space dreams come true.

**Explore Opportunities:**

Our company recruits Engineering Specialists, P.Eng.s., EITS and new graduates.

When exploring opportunities with us for this event you have two options:

we invite you to tell us about yourself as you record an introduction video with respect to the specialities listed below

OR

we invite you to explore our job postings online and reference the job title you are interested in as you record your introduction video.

Electrical Engineer

Mechanical Engineer

Software Engineer

Aerospace

Project Engineers

Industrial/Manufacturing Systems

### **Why join us?**

MDA provides competitive compensation and benefits packages for its employees at all locations. As a team member of MDA, you and your qualified dependents are eligible to participate in a benefit plan that ensures a comprehensive level of protection through competitive health care including; extended healthcare and flexible drug plans, dental and vision benefits, disability income protection, life insurance, group retirement savings plans; and an employee and family assistance program.

MDA is an equal opportunity employer prizing diversity and inclusion. We are committed to treating all employees and applicants for employment with respect and dignity. If you require assistance and/or reasonable accommodation due to a disability during the application or the recruiting process, please feel free to notify us.

### **IMPORTANT NOTES:**

Once you have registered you will receive an email from OSPE with links to the employer portals to record your introduction video(s).

Once you arrive at an employer portal you will enter your name, you will click on upload document and upload your resume. You will then be permitted to access the video recording area to start recording your introduction video for that employer.

You will be presented with 3 questions and you will have 1 minute to answer the question by video.

We recommend you read the [FAQ](#) document BEFORE going to the employer video online portal.

### **VIDEO INTRODUCTION QUESTIONS:**

1. Please tell us about yourself and which engineering speciality or job title you fit best in using a specific example?

Up to 1-minute answer by video

2. What makes you the best choice for this position or area?

Up to 1-minute answer by video

3. Tell me about a specific time when those with whom you were working could not agree upon the course of action. How did you approach the situation?

Up to 1-minute answer by video

### **REGISTRATION:**

[Click here](#) to register and get access to the online video recording portal.
