

Spin Master

Please review **IMPORTANT NOTES** and **VIDEO INTRODUCTION QUESTIONS** below where you will also find a registration link.

About us:

Are you a kid at heart looking to build a career with a leading global children's toy, entertainment and digital gaming company? At Spin Master, our unwavering commitment to open mindedness, integrity and innovation is a great part of what has made us an industry leader. How do we stay ahead of the pack? By hiring the best and brightest minds—and that's why we want you!

Explore Opportunities:

Our company recruits Engineering Specialists, P.Eng.s., EITS and new graduates.

When exploring opportunities with us for this event you have two options:

- we invite you to tell us about yourself as you record an introduction video with respect to the specialities listed below

OR

- we invite you to explore our job postings online and reference the job title you are interested in as you record your introduction video.

Product Design

Project Management

Mechanical

Product Development

Transportation Cost Engineer

Why join us?

Our mission is to Make Life More Fun with a vision to push the boundaries of innovation, creativity, and fun. From top leadership to new and veteran team members alike, everyone at Spin Master embodies our Core Values:

- We partner
- We invent
- We are open-minded
- We collaborate
- We get results
- We've got integrity
- We are entrepreneurs

IMPORTANT NOTES:

Once you have registered you will receive an email from OSPE with links to the employer portals to record your introduction video(s).

Once you arrive at an employer portal you will enter your name, you will click on upload document and upload your resume. You will then be permitted to access the video recording area to start recording your introduction video for that employer.

You will be presented with 3 questions and you will have 1 minute to answer the question by video.

We recommend you read the [FAQ](#) document BEFORE going to the employer video online portal.

VIDEO INTRODUCTION QUESTIONS:

1. Please tell us about yourself and which engineering speciality or job title you fit best in using a specific example?

Up to 1-minute answer by video

2. What makes you the best choice for this position or area?

Up to 1-minute answer by video

3. Tell me about a specific time when those with whom you were working could not agree upon the course of action. How did you approach the situation?

Up to 1-minute answer by video

REGISTRATION:
