**About us:**

Come join a global team dedicated to supplying state-of-the-art loss-prevention engineering and research to more than one-third of FORTUNE 1000 companies all over the globe. We rely on a dynamic, culturally diverse group of employees, working in more than 100 countries, in a variety of challenging roles to accomplish our objectives.

With the company's nearly two centuries of knowledge and experience behind you, you'll work hands on with some of the world's most influential organizations, helping them understand risk and protect their assets. You will also have the resources to build a rewarding career at FM Global including 12 months of classroom (US based) and field-based training as a foundation.

What makes FM Global unique is our culture of camaraderie with colleagues and clients, the challenging work and the excitement of being part of a successful organization. We believe in a supportive work/life environment and encourage our employees to participate in our total rewards benefit program including pension and a company car provided to all our Consultant Engineers.

**Explore Opportunities:**

Our company recruits Engineering Specialists, P.Eng.s, EITs and new graduates.

When exploring opportunities with us for this event you have two options:

- we invite you to tell us about yourself as you record an introduction video with respect to the specialities listed below:

*Consultant Engineer specializing in Fire and High Hazzard Materials*

*Consultant Engineer specializing in Boiler and Machinery*

OR

- we invite you to explore our job postings online and reference the job title you are interested in as you record your introduction video.

### **Why join us?**

At FM Global, we value your contributions to our company. As a dynamic, global organization, we are a culturally diverse team of employees strategically positioned in more than 40 countries. We're committed to providing all our employees with a comprehensive Total Rewards package to help them achieve their financial, professional and personal goals.

The benefits and workplace programs that make up your Total Rewards include:

- An attractive compensation and benefits package

Our competitive Total Rewards package, our commitment to diversity and inclusion, and our emphasis on integrity are all part of what makes FM Global an outstanding place to work. We hope you will enjoy building your career with us.

**IMPORTANT NOTES:**

Once you have registered you will receive an email from OSPE with links to the employer portals to record your introduction video(s).

Once you arrive at an employer portal you will enter your name, you will click on upload document and upload your resume. You will then be permitted to access the video recording area to start recording your introduction video for that employer.

You will be presented with 3 questions and you will have 1 minute to answer the question by video.

We recommend you read the **FAQ** document BEFORE going to the employer video online portal.

**VIDEO INTRODUCTION QUESTIONS:**

1. Tell me about yourself and which engineering speciality or job title you fit best in and give a specific example of how your education (if new grad) or work has prepared you for this role?

Up to 1-minute answer by video

2. Tell me about a specific skill (hard or soft) or a competency you have learnt or developed recently and how this skill or competency can be applied to your engineering work?

Up to 1-minute answer by video

3. Tell me about a specific time when those with whom you were working could not agree upon the course of action. How did you approach the situation?

Up to 1-minute answer by video
