

Please review **IMPORTANT NOTES** and **VIDEO INTRODUCTION QUESTIONS** below where you will also find a registration link.

**About us:**

MDA Corporation is an international space mission partner and robotics, satellite systems and geo-intelligence pioneer with a 50-year story of firsts on and above the Earth. With 2,000 employees in Canada, USA and UK, MDA is leading the charge towards viable Moon colonies, enhanced Earth observation, communication in a hyper-connected world, and more. With a track record of making ambitions come true, MDA enables highly skilled people to continually push boundaries, tackle big challenges, and imagine solutions that inspire and endure to change the world for the better, on the ground and in the stars.

**Explore Opportunities:**

Our company recruits Engineering Specialists, P.Engs., EITs and new graduates.

When exploring opportunities with us for this event you have two options:

We invite you to tell us about yourself as you record an introduction video with respect to the specialities listed below:

*Advanced Robotics, Aerospace Engineering, AI Systems, Control Systems, Electrical Design, Electrical Systems, Electro-Mechanical Engineering, Mechanical Design, Robotics & Automation, Software Development/Engineering, Scrum Master, Software Testing, Test Engineering, Engineering Controls, Hardware Engineering, Product Management, Program Management, Project Engineering, Power Systems, Quality Assurance, Risk Management, Safety & Reliability,*

*Space Operations, Systems Architecture, Systems Design, Systems Engineering, R&D, Digital Embedded Systems, Controls Engineering and Digital Engineering.*

OR

We invite you to explore our job postings online and reference the job title you are interested in as you record your introduction video.

### **Why join us?**

Serving the world from its Canadian home and global offices, MDA's deep heritage and broad range of capabilities are organized into three business areas: Geo-intelligence, Robotics & Space Operations, and Satellite Systems. As the leading global independent commercial supplier of antennas, payloads, and electronics for communication and radar satellites, our team has successfully contributed to hundreds of space missions over the past 60 years. MDA provides competitive compensation and benefits packages for its employees and qualified dependents including extended dental and vision benefits, life insurance, group retirement savings plans, and an employee and family assistance program.

### **IMPORTANT NOTES:**

Once you have registered you will receive an email from OSPE with links to the employer portals to record your introduction video(s).

Once you arrive at an employer portal you will enter your name, you will click on upload document and upload your resume. You will then be permitted to access the video recording area to start recording your introduction video for that employer.

You will be presented with 3 questions, and you will have 1 minute to answer the question by video.

We recommend you read the [FAQ](#) document BEFORE going to the employer video online portal.

### **VIDEO INTRODUCTION QUESTIONS:**

- Tell me about yourself and which engineering speciality or job title you fit best in and give a specific example of how your education (if new grad) or work has prepared you for this role? (MDA Corporation)

Up to 1-minute answer by video

- Tell me about a specific skill (hard or soft) or a competency you have learnt or developed recently and how this skill or competency can be applied to your engineering work?

Up to 1-minute answer by video

- Tell me about a specific time when those with whom you were working could not agree upon the course of action. How did you approach the situation?

Up to 1-minute answer by video

### **REGISTRATION:**

[Click here](#) to register and get access to the online video recording portal.
