

R.V. Anderson Associates Limited
engineering • environment • infrastructure

Please review **IMPORTANT NOTES and VIDEO INTRODUCTION QUESTIONS** below where you will also find a registration link.

About us:

R.V. Anderson Associates (RVA) has been engaged in the provision of professional engineering, operations, and management services since 1948. The organization comprises environmental and infrastructure specialists for water, wastewater, transportation, and urban development. The company is owned by its principals and associates, providing services to public and private sectors in Canada and internationally. The company started with six staff, including one professional registered engineer, four technicians and draftsmen, and one stenographer. Today, the firm has over 400 employees based out of ten offices.

Careers | RVA | R.V. Anderson Associates (rvanderson.com)

Why join us?

R.V. Anderson Associates (RVA) offers employee mentorship as well as opportunity for growth and development. They have a very welcoming & team-oriented environment that fosters collaboration, with flexible work arrangements as well as several social activities. RVA is driven by its core values of quality, employee ownership, financial stability, and integrity. The work environment is energetic, challenging, and rewarding. RVA is currently looking for individuals that want to take ownership of their work and their company, because they believe that when people take ownership, they achieve greater things.

Below are some highlights that make RVA different from its competitors:

- Winner of the Greater Toronto's Top 2022 Employers (3 years in a row)
- One of Canada's Top Small & Medium Employers 2022 (3 years in a row)
- One of Canada's Best Managed Companies (10+ years in a row)
- Employee-owned with share ownership opportunities offered
- Opportunities for advancement and flexible career direction/path
- Interesting and exciting projects ranging in type, size, and scope
- Competitive salary as well as merit and profit bonus programs
- Pension program with company matched contributions, as well as health, dental and vision benefits

IMPORTANT NOTES:

Once you have registered you will receive an email from OSPE with links to the employer portals to record your introduction video(s).

Once you arrive at an employer portal you will enter your name, you will click on upload document and upload your resume. You will then be permitted to access the video recording area to start recording your introduction video for that employer.

You will be presented with 3 questions, and you will have 1 minute to answer the question by video.

We recommend you read the [FAQ](#) document BEFORE going to the employer video online portal.

VIDEO INTRODUCTION QUESTIONS:

Tell me about yourself and which engineering speciality or job title you fit best in and give a specific example of how your education (if new grad) or work has prepared you for this role? (R.V. Anderson Associates)

Up to 1-minute answer by video

Tell me about a specific skill (hard or soft) or a competency you have learnt or developed recently and how this skill or competency can be applied to your engineering work?

Up to 1-minute answer by video

Tell me about a specific time when those with whom you were working could not agree upon the course of action. How did you approach the situation?

Up to 1-minute answer by video

REGISTRATION:
